1. Review Routing Policy

RATING	ROUTE	CUSTOMER SEES	OWNER ACTION
★★★★★ (5)	Public	“Thank you! Share on Google?” → Google review page	None (monitor)
★★★★☆ (4)	Public	“Thank you! Share on Google?” → Google review page	None (monitor)

RATING	ROUTE	CUSTOMER SEES	OWNER ACTION
☆☆☆ (3)	Internal	"Thanks! Any feedback to help us improve?" → Text box	Review within 24h
☆☆ (2)	Internal + Alert	"We're sorry. Tell us what happened." → Text box	Respond within 4h
☆ (1)	Internal + Urgent Alert	"We want to make this right." → Text box + phone	Respond within 1h

2. Negative Review Response Protocol

Step 1 — Acknowledge (Within Timeframe)

- 3 stars: Email within 24 hours
- 2 stars: Email or call within 4 hours
- 1 star: Call within 1 hour

Template (2–3 star):

"Thank you for your feedback, [Name]. We're sorry your experience wasn't perfect. I'd like to understand what happened and make it right. Can we connect briefly?"

Template (1 star):

"[Name], I just saw your feedback and I want to personally apologize. This is not the experience we aim for. I'm calling to make this right. What's the best number to reach you?"

Step 2 — Investigate

- Review service details (provider, time, service type)
- Check for patterns (same provider, same service, same time slot)
- Document findings

Step 3 — Make Good

RATING	SUGGESTED MAKE-GOOD
3 stars	15% off next service
2 stars	25% off next service or free add-on
1 star	Full refund or free re-service

Step 4 — Follow Up

- Check in after next visit
- Confirm issue resolved
- Ask if they'd update their feedback

Step 5 — Log Outcome

Record in `reviews` table:

- Resolution offered
- Customer accepted?
- Follow-up outcome
- Pattern flag (if recurring issue)

3. Public Review Best Practices

Responding to Public Reviews

REVIEW TYPE	RESPONSE STRATEGY
Positive (4–5 stars)	Thank them, mention something specific
Neutral (3 stars public)	Thank them, acknowledge feedback, offer to improve
Negative (1–2 stars leaked)	Apologize, take offline, offer resolution

Never:

- Argue with reviewer publicly
- Share customer details
- Offer compensation publicly (take it offline)
- Ignore negative reviews

4. Review Request Timing

SERVICE TYPE	WAIT BEFORE REQUESTING
Quick service (< 30 min)	1 hour
Standard service (30–90 min)	2 hours
Long service (> 90 min)	4 hours
Multi-visit (packages)	After final visit

Rationale: Give customer time to experience results before asking for feedback.

5. Compliance Notes

- Never incentivize positive reviews (against Google/Yelp TOS)
 - Never filter reviews — all collected, just routed differently
 - Customers can always choose to post publicly regardless of rating
 - Internal-only routing is a suggestion, not a block
-
